Dear Sirs

To whom it may concern.
Ref: ACT Reprographics Ltd.

We have worked with Act for the past 4 years as a supplier of large format display graphics to our company.

An example of this would be a job they did in September 2003 and the supermarket chain Sainsbury's. They were commissioned to produce graphics for 120 popups both front and back – a total 960 graphic drops.

Using their Lightjet and digital cutting facilities they supplied the initial 85 in 8 days and the balance 7 days later all with unerring quality. No other company have I dealt with could have done this job in the timescale without reducing the standard of the finished article.

ACT has always met our deadline and has produced work of a very high quality for our clients and ourselves.

I recommend this company very highly.

Yours sincerely

Mrs. Ann Adams.
