

COVID-19 Social Distancing Floor Markers, Floor Stickers & Floor Graphics

COVID-19 Social Distancing Floor Markers Floor Stickers & Floor Graphics

Our social distancing floor markers have been created to allow businesses and retailers to stay safe and create awareness of social distancing rules following the recent Coronavirus (COVID-19) pandemic.

Internal - available with 3 different options

R9 Floor Graphics

Lifespan: Short to Medium Term
Slip Rating: R9

These printed vinyl floor stickers have a self-adhesive backing and can be stuck to any smooth, clean floor. They have a laminated textured surface with an R9 anti-slip rating. They are semi-permanent and suitable for short to medium term use.

R10 Floor Graphics

Lifespan: Short Term
Slip Rating: R10

These printed vinyl floor stickers have a self-adhesive backing and can be stuck to any smooth, clean floor. They have a textured surface with an R10 anti-slip rating. They are semi-permanent and suitable for short term use.

R13 Floor Graphics

Lifespan: Short Term
Slip Rating: R13

The perfect solution for short-term, highly slip-resistant floor graphic applications, it has specialised rough-texture surface, meeting anti-slip class R13, which is required for applications in areas such as large kitchens wet barefoot areas, such as changing rooms and swimming pools.

External

External Floor Graphics

Lifespan: Short to Medium Term
Slip Rating: R9

This self-adhesive digital printing film is perfect for temporary advertising on rough outdoor surfaces. Thanks to its special adhesive technology, it adheres very well to rough outdoor surfaces when applied with heat.
